PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-
GENERAL IN COUNCIL.

And whereas, the lessees of coal-mining locations situated in unsurveyed territory and remote from any line of railway, who have expended large sums in prospecting their locations prior to railway communication with the locations having been established, and to which the above regulation does not apply, would appear to be entitled to some consideration,—

Therefore His Royal Highness the Governor-General in Council is pleased to order that the Coal-Mining Regulations, established by the said Order in Council on the 12th August, 1911, shall be, and the same are hereby amended by adding thereto the following regulation, viz.:—

“Where a coal-mining location comprising adjoining lands included in one or more leases of unsurveyed territory, acquired by assignment or otherwise under the provisions of these regulations, recorded in the name of one lessee and situated more than ten miles from a railway when the leases were issued, and where the lessee of such location can show that he has expended in actual prospecting

and developing operations on the location by recognized methods during any year prior to railway communication with the location having been established an amount equal to or in excess of the prescribed yearly rental of such location, the Minister, upon proof satisfactory to him showing that such expenditure was incurred for the purpose and in the manner specified on one or more of the leaseholds comprising the location, may waive payment of the rental for the year of the term during which such expenditure may be shown to have been incurred, or in case the rental has already been paid, he may apply such payment or such portion thereof as to him seems reasonable, on account of future payments of the rental of any leasehold included in the location, such expenditure, however, not to be accepted as payment of rental during a greater period than five years of the term of the leases.”
